

THE LEMLAND TOUR

A tour for all your senses

During an afternoon / evening you get the opportunity to visit 3 different farms where your senses can enjoy food, drink, garden and nature.

The first visit is only 15 minutes from Mariehamn. **Open Water Brewery** is a microbrewery in Knutsboda with its own character and where you are offered beer and cider tasting, a lecture on the farm's history and why you dared to invest in commercial beer brewing.

After an hour, it carries off to the second stop, **SENSES** in Hellestorp. Walk through one of the most beautiful gardens in Finland and let yourself be inspired and seduced by color, shape and scent. A lisa for the soul. Stroll around by yourself or join the host couple on a guided tour. Before departure, refreshments with snacks are offered. The visit takes 1 hour.

The tour ends at the restaurant **Mormors Gröna Hus** which is housed in a farmhouse in Norrby. It offers a 2-course dinner prepared with local ingredients and a history of the farm and the creation of the restaurant. (Excluding drinks)

The whole trip takes about 5 hours. We hope we can give you an experience and a memory to take home.
